OFF MY CHEST

Editor's Notes

We have a Special Collectors Issue for you guys this month. We are featuring a bevy of monster-tit girls. There are not many of these girls left, but we've gathered them all together right here for your personal stroking pleasure. Some of these girls are my all-time favorites. I have always loved the "slim & freak-tit" girls that look like a pair of Charms Blow Pops. I shot **Deena Duos** in Vegas and her tits are bigger than ever. **Harmony Bliss** is a girl who originally came to my studio to learn the fine art of domination. When I saw her tits for the first time, it was obvious that her talents could be utilized far better without the whips & chains. Getting her together with **Minka** was a very good day, as you'll see. **Pandora Peaks** is a true legend, with her thin waist, womanly hips and incredible cans. She is an esteemed member of the Gent Hall of Fame. Flaming redhead **Teddi Barrett** is making her inaugural appearance in the hallowed pages of Gent. We're glad to have her humungous hooters in the Gent club. I came across **Alena Snow** a few years back and couldn't get her in the studio fast enough. She is 100% old school "slim & stacked". Nobody exemplifies the tiny body / huge tit model quite like this months covergirl **Rhiannon**. We have been working together for years and she is an essential part of the Gent machine. Besides the fact that she is a supper-titter herself, she finds nearly all the models featured here each month. She has been instrumental since my very first issue. Hell, she loves tits as much as I do! Now, when it comes to freak tits, there are none bigger than our next two girls. **Keisha Evans** tits are so freakin' big, that she rests them in the kiddie seat of a shopping cart when she goes to the food store. I've seen hundreds of huge boobs in my time, but hers are the eighth and ninth Wonders of the World. You can't appreciate the magnitude of her tits until you actually stand right in front of them. It's like standing before the Great Pyramid; you can't appreciate how big it is from a picture! That being said, **Chelsea Charms** is no slouch in the tit department herself. I'd have to make her numbers ten and eleven on the Wonders list. Another member of the Gent Hall of Fame is the beautiful **Sarenna Lee**. Many girls have tried to pull of the "Marilyn" look for the past 40 years and most fell short. Sarenna not only pulled it off, but she even got naked! Ya gotta love that! **Crystal Storm** is a true legend in the world of "Monster Tits". Her chest was so impressive that she was hired by a popular store chain as there X-clusive greeting card and calendar model. Another "Fury Find" is the amazing **Savanna Synn**. She was a Gent covergirl a while back. Those are all the featured girls this month, but there is so much more. We went into the archives to dig out a bunch more "Monster Titters" for you, just to remind you, why we're here. As always, our resident big-tit super-slut, **Amber FoXXX** is up to her heavy hooters in hard cock. She is so into dick that she doesn't even care about the rest of the guy, as you'll see! Steve Nelson is Gent's Man About Porn. It seems like every girl he interviews ends up sucking his dick. He really gets into his work! In Confessions of a Big- Tit Porn Slut, **Lea Walker** willingly demonstrates how to incorporate big firm titties into sex-play. You are holding in your sweaty hands one majorly boob-packed issue. Shooting these girls and putting Gent together for you each month is truly a dream cum true. And no, I don't need an assistant! I know I don't have to tell you; It's All About The Boobs!

TALE OF TWO TITTIES...

Dear Mr. Fury,

I have been a tit-man for as long as I can remember. I especially loved the period where the girls were sporting the huge over-sized implants. Girls such as Tiffany Towers, Wendy Whoppers, Lisa Lipps, Chelsea Charms, Melonie Charm and Minka were more the norm in magazines than the exception. I miss those girls. Where have they all gone? I don't mean those particular ones – I realize they got older and retired, etc. – I mean new girls to take up the mantle.

Jeff Saltzgiver, North Aurora, IL

Dear Jeff,

(Hang on a second while I climb up on my soapbox.) There are a few different reasons we aren't seeing models with those proportions anymore. However the main reason is because, once again, the government, specifically the FDA has stuck their noses into somewhere that they don't belong. They first put all type of limits and regulations on American made implants until the manufacturers just stopped making anything over 800cc's. Just to put that into perspective; Rhiannon is wearing 4000cc bags. They next decided that silicone was a "controlled substance"; so importing the bigger sizes was possible, but you had to go through so much red tape, that most girls and doctors didn't even bother to try. And if that wasn't bad enough, only one person at the FDA had the final say on whether to allow a girl to obtain the large implants and her qualifications were that she was a veterinarian. I guess dogs and rabbits give her certain insight into breast implants. Of, I almost forgot, she is also married to one of the higher-ups at the FDA. So I hope that answers your question. The bottom line is that tits have now become wrapped up in bureaucratic bullshit. (Climbing down from the soapbox.)

That being said; I think you're going to enjoy this issue of some of my Monster Tit favorites. I had saved your letter just for this issue.

Anton The Freakin' Furyous

Dear Editor,

Amber Bach is a Goddess! Oh my God! I am so enraptured with this lovely lass. Her face on the cover is so cute and innocent, but once you open the magazine, you see that is nothing but a

I recently picked up the First Annual Gent Yearbook. The only thing better than big tits is big tits getting fucked!

Dave,

I agree… especially when I'm the guy doing the fucking!
Anton

Dear Gent,

I've never written anything like this before, but I told a lady that I would buy your May issue. You see, I ended up on a train with a the most beautiful that was in that issue. I didn't know who she was. She wasn't wearing any make-up, but believe me, she didn't need it. She was wearing a NY hat and a Gent jacket, but she couldn't hide those big, beautiful boobs. While we rode along, she pulled out her laptop and treated me to the most incredible show of her sexy, naked pictures. When my stop came up, I stood to leave, telling her that no one was going to believe me about meeting Destiny B. Wilde from Gent magazine.

She said, "We'll see," as she opened the issue to her layout and wrote a sexy note to me personally and autographed it. I framed that picture and it now hangs on my bedroom wall. Each night when I lay down, do I have some "Wilde" fantasies.

So eat your hearts out Gent fans and thank you Gent for having the class to put Destiny B. Wilde in your mag. Semper Fi
David L.Cain,
Mountain Home, TN

Dear David,

I hear you brother. I have known Destiny for a few years now, even shared a suite with her my last trip to Vegas, and she is one of the sweetest girls I have ever met. I have seen her interact with her fans and rarely, have I ever seen a more sincere girl. She truly loves what she is doing and loves her fans.
Anton

Dear Sir,

Charlee Chase is my newest favorite model. Her boobs are incredible and the look on her face when she's getting fucked is priceless. Just looking at her eyes in the picture with her tits wrapped around that lucky guys meat, makes my dick hard. She actually looks like she likes it. There's nothing worse than a picture of a girl with a dick in her mouth as she's looking into the camera, as if to say, "Hey, look at me, I'm sucking a dick." There's absolutely no passion, she's obviously only doing a job.

Keep up the fine work and give me more Charlee!
Randy Millwood,

Dear Gent,

When I opened the September issue of Gent I was blown away by the model named Summer. She is an angel. Please show more of her.

SHE IS A TRUE "NO HOLES BARRED" GIRL WHO LIVES FOR SEX. ALL HER DIRTY LITTLE SECRETS ARE X-POSED FOR YOU RIGHT HERE, EACH MONTH.

PHOTOS BY BIG DICK JOHNSON

I was hanging out in one of my favorite Yahoo chat rooms the other night (thefoxxxroxxx is my screen name, by the way) when I got an offer to check out a guy's webcam. I usually don't bother taking a look, but I was feeling frisky at the time so I clicked the accept button and took a peek. I was pleasantly surprised when I saw a buff guy on the other end, and when he pointed the camera lower I started to drool as I saw a big fat cock staring through the camera at my hungry eyes.

I sent him a message asking him where he was from, and found out he was only about a half hour from where I was staying that night. I boldly asked him if he would be up for some late night romping with me, and of course I wasn't surprised when he said he would be right over! My pussy gushed with anticipation, and I hurried to get all done up in anticipation of my new friends arrival.

Shortly after I started getting ready my girlfriend Shellie called me and asked what I was up to. I told her I was about to get fucked silly and asked her if she would like to come and watch. She had been dying to see me get it on with a guy for a while, since she has only seen me in the throes of passion when I was sucking her snatch dry, so she said she would be right over. When she knocked on my door I was surprised to see she had brought her camera along too!

Shortly after Shellie got there, the guy arrived and I dropped to my knees to get a closer look at what I was drooling over across the internet chat. He dropped his drawers and I popped his meat

between my wet lips. I drooled all over his shaft to get him all wet, and pulled back to spit on the bulging head while working my fingers up and down his rock hard member.

When he was good and gooey I slapped it in between my massive boobs and started to slide up and down, completely engulfing his cock. As impressive as his tool was, it was dwarfed by my monster melons, so I thought we had better get another test of just how big he was by seeing how far he could spread my cunt! He lay back on the bed as I climbed up on top to get a ride. I lowered myself to the tip and slowly started to slide down, feeling each inch being devoured by my hungry snatch. I purred with pleasure as I confirmed that it was everything I thought it would be when I first laid eyes on the guy's webcam!

Once I had the whole thing buried deep up inside my pussy, I leaned forward and told him to pound my snatch as hard as he could. He started a little slow, but when we got our rhythm going he screwed me with so much energy I thought he might bounce me right off the bed! He slammed my snatch good and hard until I creamed all over him. I decided to take over the pace since I didn't want him to blow his load too fast. I got to my feet and gave him a few more long, slow, squeezing strokes before I stood up, my cunt reluctantly letting go of his throbbing cock.

When I dropped to all fours he figured out pretty quickly what I wanted and came up behind me to plow my pussy. He slammed in balls deep and I screamed as he impaled my tight folds of flesh. I thought for a second I might wake up the whole

hotel, but as fast as that thought came into my head it was replaced by a mind numbing orgasm while I cried out in pleasure again! I shook with delight as I felt his cock start to throb faster and faster deep inside my cunt.

I didn't want to waste that hot load inside a condom, so I slipped off his cock and rolled on my back. I took my hand and slipped it up inside my soaked pussy and wiped my juices between my heavy hangers for some good natural lubrication and licked the rest off. I told him to get up and fuck my tits just like he was in my snatch. He got right on and hammered his tool down the center of my rack as hard as he could, and it wasn't long before he sprayed my boobs, nipples, and face with his hot seed! I cleaned up as much as I could with my tongue and fingers, keeping eye contact with my new friend the entire time.

Later, as I was going through the pictures with Shellie, I asked her if she had caught his name. I had missed it in my state of mind, but thought maybe he had said something. She told me no, but that it didn't really matter - it looked like I had gotten what I was looking for! I thought about it for a minute, and I had gotten exactly what I wanted... I guess you really can find anything you want on the Internet! Keep your eyes open when you're in chat rooms - you never know when the mood may strike me.

Keep on cumming!

THE NEWS RACK

ALL THE NEWS WITH TITS

By Steve Nelson, Editor-in-Chief of Adult Industry News (AINews.com)

GENT MAGAZINE • JANUARY ISSUE #130

REGAN ANTHONY

So here I am at Silver Reign, Donna Doll is on stage and Regan Anthony is at the tip rail. Regan goes to tip Donna and somehow Donna's face ends up between Regan's tits. Turn around is fair play, so during Regan's show Donna is pulled on stage and Regan straddles her face and goes down on her in a 69!

Read about both Donna and Regan's performance at AINews.com/story/12006/ where Myles Shaffer covers them in his column "Myles' Weekend Adventure".

This is Regan Anthony's first time feature dancing after a whole year! Anyone having the opportunity to see Regan dance should not miss it. I love her squeezably soft boobs! Regan is a Miss Nude World 1st runner up TWICE and is a recent Tampa, Florida transplant, but her story starts in Detroit at the age of 18.

That's when she dropped out of college. "I was wasting money and time, I didn't want to be there." (She partied too much.) So she split and went to Orlando, Florida for a Disney World job.

Since Regan loved being naked, (Disney kind of frowns on nudity at the park), she started stripping at "Rachel's", what she called a "hoity toity" club and "Club Juana", the nastiest strip joint around.

"Club Juana" in Casselberry, Florida was making news back in late June 1999 by exploiting the legal loophole that exempted theatrical performances from the nudity ordinance where alcohol is served; hence it was legal to do nude Shakespeare. Unfortunately, the discriminatory law was "fixed" quickly. "Though this be madness, yet there is method in 't." Hamlet, Act II, Scene II

Regan went back to Disney and worked as Mickey Mouse and Princess Jasmine. She got tired of the 90-hour work and missed being naked. She heard Tampa was "nasty", meaning more money for the dancers, so for seven months she drove to and from Orlando doing both.

Disney found out. No more Disney. That's when she met Tony Batman.

Tony said "I can make you famous" and got people to take notice. She did contests and Tony handled PR.

It was the Tampa "Nightmoves" show she says was the trigger to her doing porn. "I talked to a whole bunch of people including Alexis Amore and Mike South and ended up getting asked to do a scene during bike week by friends. Mike got the content and made it into a movie". It didn't come out for a year, but when it was distributed it went to reprint five times!

Incidentally, Alexis Amore was in the club tonight for Regan's performance. Then Regan and Tony moved to Iowa where she stopped dancing for 6 months.

She is available for bookings for both movies and feature dancing. You can contact her through Goldstar Modeling and Pure Talent. Coming soon for the fans: ReganNation.com! Currently, you can find Regan at MySpace.com/ReganNation

Asked what really matters to her Regan said, "Being happy, family, normal stuff".

REGAN ANTHONY

TIT BITS

The FOXE Awards this year was well attended in spite of the fans' apathy in not voting for their Fan Favorite. No new award was given for this, but fan and Industry alike turned out to honor Director Henri Pachard who was given much deserved love and tribute.

Anita Cannibal's graduation from Cal State Northridge and her impending entrance into Law School were also celebrated. Some of the other magnificent mammaries there belonged to Alicia Rio, RayVeness, Lady Victoria Spencer, Sasha Brabuster, Jen X, Phelysia Anne and Cara Lott.

AINews columnist Myles Shaffer and I went to the Van Nuys Spearmint Rhino to see Teri Weigel last June and found Jen X there as well.

Erotica L.A. was packed this year with more tits than you can shake a dick at! I was at the Protecting Adult Welfare booth most of the time, when I wasn't helping Angelique Morgan shoot interviews for Rev-TV. Other talent signing at the PAW booth were Anita Cannibal, Minka, Bettie Rage, Anjelica Lauren, Jen X, Kayla Kupcakes, Cleopatra of the Nile, Bethany Sweet and Harmony Bliss with Elizabeth Starr, Philly Ramone, Joy Bang and Paradise Pink (now Paradise Long) stopping by throughout the event.

Minka has just wrapped shooting with Jade Feng! There's hardcore on Minka's site that you'd better not miss! Go to MinkaXXX.com and have a look. They are planning topless tennis Las Vegas style for PayPerView. Imagine Minka and Jade topless playing tennis! I wouldn't be looking at the fuzzy balls! Minka also has two new movies coming out "Butt Buster 3" and Sexy in Black 2."

Jen X is in negotiations for a TV pilot called American Rebel. Her site HotJenX.com should be online by now with details. She's also working with a behind the scenes reality show being shot now called "Chatsworth 91311."

Harmony Bliss is doing hardcore now! She's with Lisa Ann's Talent Management for those of you who are interested in booking her. She still lives on the east coast but is thinking of moving out to the L.A. area.

Bettie Rage has her site BettieRage.com up and running. She says, "I love to be a whore in bed!" Anjelica Lauren says, "I'm fucking crazy! And for Spanish people, loca!" Anjelica can be booked through Rob Spalone's Star World Productions.

Kayla Kupcakes features all over and says she crosses the US ten times a year! She gets to L.A. at least three times a year and Jim South is still her agent. Kayla was just in the August 2007 Gent Magazine with Summer Sinn and was on the cover of the L.A. Xpress.

DONNA DOLL

I left Erotica L.A. where Bill Margold was hosting Adult Industry News (AINews.com) at the Protecting Adult Welfare booth. I was there with a group of busty babes signing for him. I had to get to the grand opening party at Silver Reign, North Hollywood.

Donna Doll and Regan Anthony were featuring and I wanted to interview both of them. Donna was going on first so I was able to talk with her in the dressing room.

Donna is an incredibly beautiful Brazilian bombshell with big boobs! She is articulate and a real sweetheart. She's been feature dancing for four years now' after coming to the US from Brazil to visit and vacation.

Talking about her career in films, Donna says she likes anal "but it needs to be done right. You have to take your time. I love foreplay, it sets the mood for everything. Don't hurry! Can't hurry, that's not good."

Just then the fire alarm goes off and lights go off and on. Silver Reign has been going through renovations and evidently the fire alarms were set a bit too sensitive and the fog machines on stage were setting them off. (An aside from Donna: "Oh great, and I've got pyrotechnics!") We stepped out into the balmy Hollywood night while they got things straightened out.

Donna enjoys every minute of her career as a feature dancer and porn star. She was sincere when she said, "I want to offer everything I can to fans, because I appreciate them and want them to have every single piece of me!"

She has tons of future plans, but when I asked her to comment on what they were, she said, "I just want to enjoy where I am for a while." Currently Donna is one of the top features in the country. She travels 40 weeks a year touring and the rest of the time is spent doing movies. A self-proclaimed workaholic, Donna travels across the US a few times each year.

The fire department had arrived and the club was swarming with firemen. I'll bet it was the best call they had in weeks! The girls at the club didn't seem to mind either and made it obvious to the firemen. We went back to the dressing room so Donna could change.

When she was naked I asked her about attending Nudes a Poppin'. "I would love to go," she said, "but I've been booked elsewhere each year!" Looking at Donna close up and naked I was almost poppin' myself!

Donna has done nearly 60 movies so far. Recent ones are "Cheating Housewives 3" and shot in Brazil, "Rio Whores", her first anal with John West.

To book Donna Doll for feature dancing contact Pure Talent and for movies Lisa Ann's Talent Management. Fans can reach Donna through her website XXXDonnaDoll.com.

Silver Reign, North Hollywood is a nicely decorated spacious club where the dancers have the smallest fees and the customers have the biggest discounts of any club around. The management is friendly and the girls were chatty and affectionate even when they learned that my columnist Myles Shaffer and I were there to work! Breast Of Times

I spent the entire first half of my life with no boobs. To say I was flat was an insult to flat girls. I was a competitive gymnast and you've never seen a competitive gymnast with tits. My body fat was so low that they just never developed. In my teens I got into Rock and Roll and sang with various bands throughout the New York area. The bands were usually very theatrical with stage shows to go along with the music.

Ultimately, I put together a group called Sweet N' Evil that was all original music along with an extreme theatrical stage show. It was sort of like Kiss meets Elvira. When we were putting the concept together, I told the guys in the band that I wanted to start dressed, and throughout the show strip down so that by the

last song I was virtually naked, wearing only a g-string and electrical tape. They looked at me like I was crazy. They basically said, "You don't have any tits. How is that going to work?"

I replied with a knowing smile, "Just wait." Two weeks later I came in with my brand new boobs. They were a far cry from what they are now, but it was the initial chapter.

As far as I was concerned Wendy Whoppers was the slim & stacked poster child. Seeing a girl with a tiny little body like hers, carrying around a couple of basketballs assured me that I could do it too. When the doctors would tell me that I should gain some weight, I'd whip out a magazine with her pictures and say, "Uh uh, it ain't gonna happen!"

A couple years later I got the opportunity to work with her and she was one of the nicest people I had ever met in the industry. Even though she has moved on to other things in her life, we do communicate from time to time and she's just as sweet as she ever was.

So, it took me a few surgeries to get up to what I am today, but the result was worth the effort. Tit jobs are like potato chips; you can't stop at just one. I just love the comic book heroine look. That was always my goal and I think I have definitely achieved it.

I feel breasts are really what make a woman a woman. Whether dressed or naked, you can always spot big tits. Many of my contemporaries in the monster tit arena tend to cover up when they go to the food store, try to hide what they have. That's not me.

I flaunt these babies everywhere I go. Yes, there are always a lot of comments, especially at places like the mall, some good, some bad, but always "shock and awe". I usually don't get really too upset about the negative comments, because I'm really happy with what I have made myself into.

Big boobs are definitely the key to the city; they open many doors that a lot of people could never get into. I never have to wait in lines, men are always too happy to carry my grocery bags, clean my house, wash my car or pretty much anything that I ask. Tits are truly the universal language.

Even after all the years I have been sporting these huge boobs, I just can't seem to get the balance right. I tend to fall over a lot and I don't even have to be wearing stripper heals to do it. Sometimes they just get away from me and the rest of my body follows.

There are a few things that I can't do because of my breasts. I have trouble tying my shoes... Hell, I have trouble seeing my shoes. I can't sleep on my stomach my head dangles and I wake up with a neck ache. I haven't been fucked in missionary position in years. The guy's elbows just can't reach the bed. That's ok though, because I love doggy style, especially when he reaches around and gets a good grip on my hanging boobs, so it works out quite nicely. It's also best for anal, but I'll save that for another column.

I am very proud to be in this issue with all these great super-tit models.

ARRESTING DEVELOPMENT

WRITTEN BY RICHARD N. SIDER ILLUSTRATION BY AARON WARNER

My wife loves to role play. I don't mind. If wearing a wig and some goofy outfit gets me laid, I'm cool with it. She was a virgin when we met, so I think it has something to do with only having one sexual partner but wishing she had had more. And for five years now I've been working that tight virgin hole, and she craves my thick cock, but on occasion she likes to pretend it‘s someone else‘s.

So I wasn't surprised to get her e-mail at work telling me to drive home as the "burn-out bad boy“. The leather jacket and long wig was still in the trunk from another time. I left the office and got on the highway, quickly positioning the wig so it looked halfway normal. That's when I saw the flashing lights.

I thought why make it easy for her? Things will only get more intense if I put on a good show. I slammed the gas and took off going 90 as the red hair in my rear-view mirror kept getting closer. I swerved to miss a quick turn, and she went over the edge of a small embankment. I was worried for only as long as it took me to remember the night we screwed on the Tilt-a-Whirl at the fair as I played the carny and she was the 4-H girl. Now that was scary! I knew this was foreplay to her.

I pulled over and found her car slid into a tree at the bottom of this little ditch, out of sight from highway travelers. But kind of in the open with the chance that someone might stop and see us. I could feel my cock getting firm with the thought of her bent over the hood taking it in her virgin twat.

Before she said a word, I pulled her from the car and ripped open her tight uniform shirt like the true bad boy I was supposed to be, trying to play along with the reality of the accident before thoughts of insurance claims and tow trucks dulled the moment. Looking at the two big titties held tightly in a thin black bra, I realized this wasn't playtime anymore. Hands were already rubbing my pants, and fingers were loosening my belt before I could say a word, my own hands already groping her boobs.

I felt the relief from the last tooth of my zipper release, and my thick poker lifted out by her warm and firm grip. She slid the other hand in for a second helping and got a fistful of balls, as the first hand slid up and down the length of my hard shaft. I was ready to pop already as I pulled the flimsy bra up over her giant melons. Her tits were so big and I milked her spigots with my fingers as I tongue kissed her mouth and bit her lip.

She was jacking me faster and squeezing my balls, but I didn't want to come on her uniform so I stepped back enough for her to drop to her knees and slide my cock in her tight, little mouth. She swallowed it whole and took it deep down her throat. I grabbed her head and started fucking her face hard. She moaned as it stabbed her mouth repeatedly, her head slamming into my crotch before I held it still so she could savor the taste of the base while I flexed the head and filled her throat with it's thick width.

I pulled the slick meat from her lips and let it hang erect as drool and spit connected her to me by a thin wet string. She lifted each heavy boob to surround my dick and proceeded to beat me off with her tits. She was hard and forceful as she fucked her own big tits with my hard cock. The head poked from her warm cleavage just long enough for her to lick the dew from the tip before it disappeared again into her fleshy titty-slit. She banged away on those tits like she was hammering nails in a board. They squashed and reformed around my stiff prick and waist and suddenly I shot a jizz rope, smacking her right in the mouth.

"Aw, you fucker," she said pushing her boobs into my spitting dick, "Do it, fucker! Cum on me, bitch!"

I sprayed a second volley of goop on her face and she popped my cock in her mouth to suck out the last ounce. But she didn't stop there. She stood up and peeled off her tight pants, the whole time massaging and pulling my withering penis. I hadn't wanted to cum that fast either, but she was determined to get off on it.

Surprisingly she kept my dick firm enough to hold and slide against her wet twat. The head ducked in and she forced the rest of my meat inside her folds until it nestled deep into her pussy hole. I stiffened as she moved and slid it in and out until I was rock hard and ready to fuck her some more. I lifted her to the hood of her cruiser and really worked it in deep. She let out a moan and I fucked her hard, all the way in. Over and over I slammed that pussy, deep and unmercifully.

"Ugh, ugh, ugh, my…fuck yeah…fuck my pussy.. Fuck it, baby," she managed to get out while I continued to bone her with my refreshed and stronger hard-on.

I gripped her big, bouncing tits and squeezed while the flesh jumped around my fingers. She rolled over and exposed her tight ass, parting her cheeks with her hands to give me a clear idea of where she needed it. I took my dick in my hand and worked the puffy head against the tight pucker of her asshole. Slowly the tip disappeared and as her moaning got louder, more of the thick shaft edged inside her until I was balls deep up her shit chute. Faster and faster, I slid in and out of her bunghole, my balls swinging and slapping her cunt. She grabbed the edge of the car to hold on, knowing I was really gonna pound that ass.

I ass fucked her hard and she reached underneath to squeeze my balls. Now she wanted me to cum. She smacked my balls against her pussy and then stuck her fingers in and fucked herself. I looked around for a nightstick so I could fuck her pussy with it while I kept reaming her ass. That's when I blew it the second time and filled her rectum with all the gravy I had in reserve. I pulled out, cuming on her ass as she quickly spun around to play out an ass-to-mouth fantasy she must have had, taking my draining cock into her mouth one last time, and sucking it hard. I felt the last of my sack drain and the juice slide up and into her mouth.

"Who are you?" she asked, catching a breath, and lifting her face from my sticky pecker.

Just then my cell rang and it was my wife. She was wondering what was taking so long, and why wasn't I home yet. Apparently the cheerleader costume she rented was due back by six. It would take me that long just to help the officer get her car back on the road.

CONFESSIONS

Of A Big-Tit Slut!

FEATURING LEA WALKER

I figured out a few years ago that I am addicted to sex. And even though being a XXX model is my job, I still can't seem to get enough. Last night I was home just hanging out, planning on having a low-key evening. I called a restaurant that delivers, to order some dinner. When my doorbell rang I opened the door to find this hot delivery guy. Suddenly the only thing that I was hungry for what was in his pants. As I bent over in front of him to get money from my purse, I could feel his eyes looking down my shirt. Not that I had had any doubt about getting more than my dinner from him, but I knew at that point, that he would soon be pounding my dripping cunt.

When I stood back up my nipples were poking through the fabric of my shirt. I slipped around him and easily closed the door. One hand dropped to his expanding bulge while the other went around the back of his neck, pulling his mouth to mine. He got the message immediately and responded in kind, by slipping his fat tongue into my mouth.

While our tongues jousted I unzipped his pants to expose his thick cock. Without any delay I dropped to the chair so that I was at cock level. I sucked it into my mouth as I looked up into his face. I love the look a guy gets when I swallow his meat all the way to his balls. I could taste the pre-jiz oozing from the swollen head and knew that I could pop this guy in seconds.

I was not going to accept anything other than a hearty fucking, so I backed off and pulled his face down between my thighs so he could have a little pre-boff appetizer. His tongue split my lips easily to spear my gaping love tunnel. I took his head in both hands and pulled him up tightly against me. In less than a minute I was coating his face in my sweet cream. He went back and forth between my pussy-hole and my throbbing clit. As I ground my cunt against his face, I felt the tremors of my first cum. As I exploded, he continued licking, getting lighter as my pussy got more sensitive.

I pushed him away and spun over onto my hands and knees. He didn't need any instruction and quickly jumped up behind me, placing his cock head to my begging twat, slamming it in. He grabbed my hips with

both hands and pounded away unmercilessly. I was loving every violent stroke and was begging him to fuck me harder. I needed all that he had to give and wasn't going to accept any less.

I was brought back to reality for a brief second as I felt him smack my ass while he fucked my dirty cunt. That just served to make me hornier than I already was. I closed my eyes and buried my face in the chair. He was pumping my gash like a piston and I was still begging for more.

His sweat was falling all over my ass, down my crack to mix with my cunt-cream. I could hear him breathing – hard. He finally pulled his dick from my cunt and fell to sit on the chair, pulling me over on top of him. His cock speared my pussy in one stroke and the race resumed. I pulled off his prick, until just the fat head remained and then dropped down, engulfing every thick inch. I leaned forward until my nipple was at his mouth. He greedily sucked it between his lips and bit down on it. Sparks shot from that nipple right into my cunt and I rode him harder and faster.

He reached a hand around to slip a finger into my asshole. That was the proverbial straw that broke the dirty sluts back. I ground my clit down on his groin while just rotating on his throbbing man-meat.

As he fucked my ass with his finger I began to cum, and that's putting it lightly. I exploded in a big bang that seemed to go on for 10 minutes. My pussy was spasming and squeezing his throbbing shaft, but I was not going to pull away, until I got every bit of what I craved. He was doing all he could to hold on for me and doing quite a good job at it.

As my cum began to subside, I slipped off his straining cock and dropped to the floor in front of him, surrounding his steely shaft with my deep cleavage. His goo erupted from the piss-hole in long thick ropes, splashing all over my tits and in my face. A good five or six blasts shot out until the last few dribbled out.

I scooped up the cream and sensuously sucked it into my mouth, letting it slide down my throat. Once I had consumed my appetizer I showed him to the door and settled down to eat my very cold dinner.
